

Enclosed is the activation code that you need to unlock the StudioLine Photo Basic 4 für Computer Bild software. The information in this email will also be needed to access other services on the StudioLine web site. Please file it with your records.

Activation Code: 6V9LC-TRBSY-48G9B-4Y7JC-RX7MT

To avoid any typing mistakes, highlight the activation code with your mouse, then use the "Copy" function from the "Edit" menu of your email software to copy the activation code to the Windows clipboard. After starting StudioLine, use the Ctrl+V key combination to paste the activation code into the appropriate input field.

You also have access to 1 GB of space on the StudioLine server for use with web galleries and DigitalXpress.

Thank you for choosing StudioLine Photo Basic 4 für Computer Bild.
